URZĘDOWSKI

All Windows Group

The Urzędowski Windows and Doors Factory was founded by combining the key elements of wooden joinery production. Comprehensive carpentry knowledge, extensive experience, and modern technologies form the foundation that quickly enabled the company to achieve the status of a leader in the joinery industry. Urzędowski's wooden windows, patio doors, and exterior doors quickly gained recognition and trust from customers both in Poland and abroad. The products are distinguished by their timeless aesthetics and exceptional design. Urzędowski also offers professional advice and support at every stage of the collaboration.

**smart
home**
All Windows Group

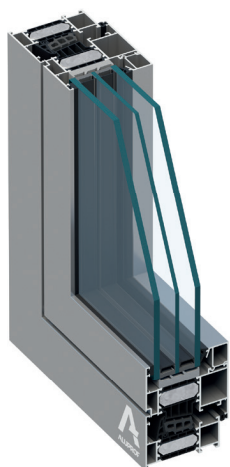

All Windows Group also offers advanced smart home solutions. We collaborate with leading system providers in the industry, such as Blebox, Somfy, GU, WinkHaus, and Maco, to deliver products that not only enhance living comfort but also increase safety and energy efficiency. All Windows Group products integrate with a wide range of Smart Home systems, allowing for easy management through a single central application. We provide solutions tailored to the individual needs of our clients.

Aluprof roller shutters

External roller shutters are an excellent year-round solution. In winter, they protect the building from heat loss, while in summer, they prevent overheating. Their tight seal helps minimize external noise and reduce air conditioning costs, making the building comfortable and energy-efficient. They are made from durable aluminum coated with a double layer of paint, making them resistant to various weather conditions, and the extensive color range allows for perfect matching to the facade. Additionally, our shutters, available in front-mounted, flush-mounted, and top-mounted systems, can be integrated with mosquito nets to protect rooms from unwanted insects.

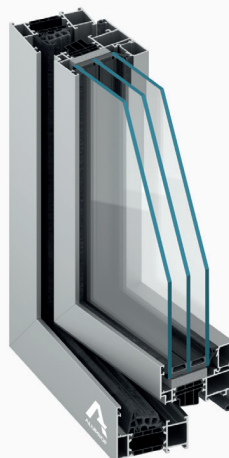

MB-86 N

Frame depth	77 mm
Sash depth	86 mm
Glazing thickness:	
- frame	9 - 60 mm
- sash	18 - 69 mm

$$U_w = 0,94 \text{ W/m}^2\text{K}$$

* U_w for the MB-86N SI system with reference window dimensions of 1230x1480 mm, with glazing $U_g = 0.5 \text{ W/(m}^2\text{K)}$, with warm spacer SSP Ultimate.

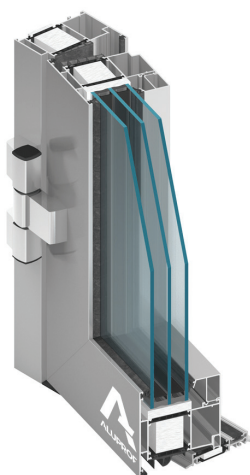

MB-79 N

Frame depth	70 mm
Sash depth	79 mm
Glazing thickness:	
- frame	2 - 53 mm
- sash	11 - 62 mm

$$U_w = 0,97 \text{ W/m}^2\text{K}$$

* U_w for the MB-79N SI system with reference window dimensions of 1230x1480 mm, with glazing $U_g = 0.5 \text{ W/(m}^2\text{K)}$, with warm spacer SSP Ultimate.

MB-104 PASSIVE

Frame depth	95 mm
Sash depth	104 mm
Glazing thickness:	
- frame	27 - 71 mm
- sash	31 - 80 mm

$$U_w = 0,73 \text{ W/m}^2\text{K}$$

* U_w for the MB-104 PASSIVE system with reference window dimensions of 1230x1480 mm, with glazing $U_g = 0.5 \text{ W/(m}^2\text{K)}$, with warm spacer SSP Ultimate.

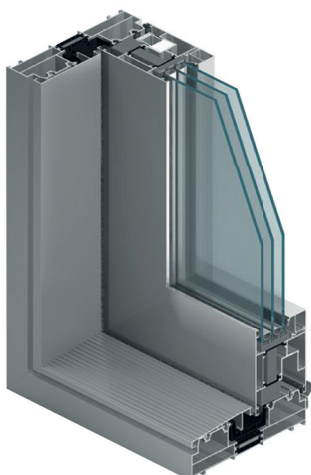

ALL DOORS

Panel doors

Frame depth	77 mm
Sash depth	77 mm
Thickness of filling	44 - 77 mm

$$U_d = 0,87 \text{ W/m}^2\text{K}$$

* U_d for the MB-86N SI+ system with reference dimensions of 1100x2180 mm, with glazing $U_g = 0.5 \text{ W/(m}^2\text{K)}$, with warm spacer SSP Ultimate.

MB-77 HS

Frame depth	174 mm
Sash depth	77 mm
Glazing thickness	13 - 60 mm

$$U_w = 0,81 \text{ W/m}^2\text{K}$$

* U_w for the MB-77HS HI system with reference dimensions of 3500x2300 mm, with glazing $U_g = 0.5 \text{ W/(m}^2\text{K)}$, with warm spacer SSP Ultimate.

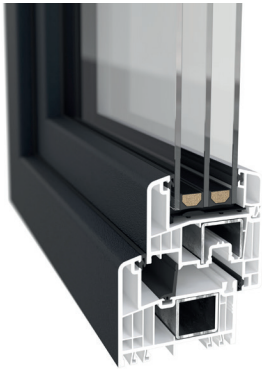

MB-86 FOLDLINE

Frame depth	86 mm
Sash depth	77 mm
Glazing thickness	13 - 61 mm

$$U_w = 1,1 \text{ W/m}^2\text{K}$$

* U_w for the MB-86 FOLDLINE system with reference dimensions of 3500x2300 mm, with glazing $U_g = 0.5 \text{ W/(m}^2\text{K)}$, with warm spacer SSP Ultimate.

S 9000

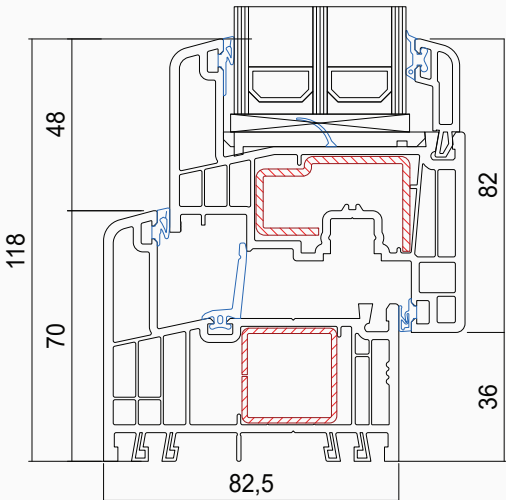

Glazing units	up to 52 mm
Frame height	70 mm
Build-in depth	82,5
Number of chambers	6
RAL color	9016

 U_f
1,0
W/m²K

 U_w
0,73*
W/m²K

* U_w value for $U_g=0.5$ with warm spacer SSP Ultimate, values are given for reference window dimensions of 1230x1480 mm.

S 9000

Doors

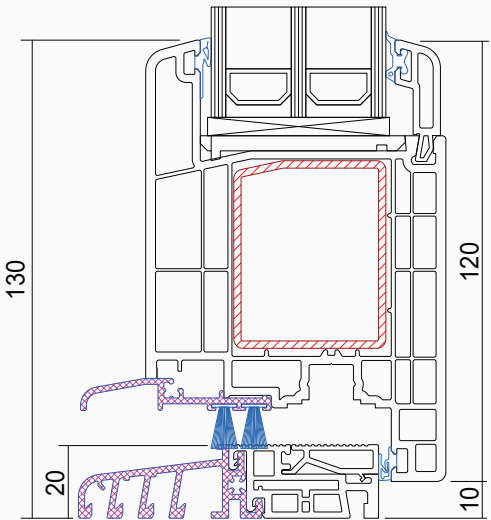

Glazing units	up to 52 mm
Frame height	84 mm
Build-in depth	82,5 mm
RAL color	9016

 U_f

About us

We have been in the market for over 28 years, earning the trust and recognition of our clients. Quality and customer satisfaction are our maxims and the fundamental principles of our business. We support our clients' success by offering innovative solutions and products of the highest quality. By implementing new customer service standards, we ensure comprehensive technical support and prompt, efficient execution. Our experienced team of specialists is always ready to assist at every stage of cooperation.

Wide range of products

- ↘ PVC windows
- ↘ aluminium windows
- ↘ wooden windows
- ↘ lift-and-slide doors
- ↘ external doors
- ↘ external and top-mounted roller shutters
- ↘ external blinds
- ↘ glazing
- ↘ garage doors
